

Transister, Dizzy Moon

Dug myself a hole again
Lost my self-control again
Kicked myself in the head again
Made my own dumb bed again

Dizzy moon, dizzy moon
The dream is over
Dizzy moon, dizzy moon
The dream is dead

Lost myself in the mail again
Hit my head on the nail again
Slept myself awake again
Burned myself at the stake again

Dizzy moon, dizzy moon
The dream is over
Dizzy moon, dizzy moon
The dream is dead

Dug myself a hole again
Lost my self-control again
Kicked myself in the head again
Made my own dumb bed again
Lost myself in the mail again
Tossed myself in jail again

Dizzy moon, dizzy moon
The dream is over
Dizzy moon, dizzy moon
The dream is dead

Dizzy moon, dizzy moon
The dream is over
Dizzy moon, dizzy moon
The dream is dead
