

Trapt, When All Is Said And Done

You have a chance to really shine now
Well patience never was, one of your true virtues
And stop trying to control everything,
and fuck what they say, what do you have to prove?
So why am I waiting, this time that I'm wasting,
if that's what you mean So why am I waiting, yeah,
this time that I'm wasting,
if that's what you mean
How will this be, when all is said and done,
will I know where I'm from, remember me
Where will I be, I guess I'm on the run,
and time is catching up behind me,
behind me yeah, behind me yeah,
behind me
I'm scared to be the only one who sees
The hourglass run dry, 'cause too much time went by
And why do I try to prove that I will be,
ready for everything thrown at me
So why am I waiting, this time that I'm wasting,
if that's what you mean So why am I waiting, yeah,
this time that I'm wasting, if that's what you mean
How will this be, when all is said and done,
will I know where I'm from, remember me
Where will I be, I guess I'm on the run,
and time is catching up behind me, yeah
How will this be, when all is said and done,
will I know where I'm from,
remember me, yeah
Where will I be,
I guess I'm on the run, and time is catching up behind me
These thoughts trickle down, imaginary lines cut
through the ground
These thoughts trickle down,
imaginary lines cut through the ground
So why am I waiting, this time that I'm wasting,
if that's what you mean
So why am I waiting, yeah,
this time that I'm wasting, if that's what you mean
How will this be, when all is said and done, will
I know where I'm from, remember me Where will I
be, I guess I'm on the run, and time is catching
up behind me, yeah How will this be, when all is
said and done, will I know where I'm from,
remember me, yeah
Where will I be, I guess I'm on the run, and time
is catching up behind me
