

Trash Can Sinatras, One At A Time

One at a time please ladies. Dont take the huff now
Well I've been up for ages, I've had enough now
I'm gonna blow your house down, dynamite your cabbage town
Shit-kicked derelict, no-one at home
Kicking deaths door baby
I'll be your muscle man, your 'I don't care who I hit' man
Your 'giveme your lollipop' man
Suck it and savour the punchline
One at a time please ladies
One at a time I'll take you
I'll be your huff-puff hold-me-back man
Fat on the fire man, your snatch your lollipop man
Suck it and savour the punchline
One at a time please ladies, no need to rush now
Step out of line and I'll take you
Harder than times, I'm tougher than luck
