

# Traveling Wilburys, Inside Out

Look out your window  
That grass ain't green  
It's kinda yellow  
See what I mean?  
Look up your chimney  
The sky ain't blue  
It's kinda yellow  
You know it's true  
It's so hard to figure what it's all about

When your outsides in (inside out)  
And your downsides up (upside down)  
Yeah, your upsides right (rightside up)  
Yeah, don't it make you wanna twist & shout  
When you're inside out

Look down your drain pipe  
What color do you see?  
It's got to be yellow  
Don't try to fool me  
And don't it make you wanna twist and shout

When your outsides in (inside out)  
And your downsides up (upside down)  
Yeah, your upsides right (rightside up)  
Yeah, don't it make you wanna twist & shout  
When you're inside out

Be careful where you're walking  
You might step in something rough  
Be careful where you're talking  
And saying all that stuff  
Take care when you are breathing  
Something's funny in the air  
And somethings I'm not saying  
Bout what's happening out there  
It's inside out

Look into the future  
With your mystic crystal ball  
See if it ain't yellow  
See if it's there at all  
Ain't no shadow of doubt  
Don't it make you wanna twist and shout

When your outsides in (inside out)  
And your downsides up (upside down)  
Yeah, your upsides right (rightside up)  
Yeah, don't it make you wanna twist & shout  
When you're inside out
