

Traveling Wilburys, Not Alone Anymore

You always said that I'd be back again
That I'd come running to you in the end
I thought that you were on your own (sha la la la, sha la la la)
And now I find you're not alone (sha la la la)

(Not alone) I'll see you through the rain
(Not alone) Through the heartache and pain (not alone)
It hurts like never before
You're not alone anymore

You always said that I would know some day
Just how it feels when your love walks away
I let you down, I let you go (sha la la la, sha la la la)
I lost you, how was I to know (sha la la la)

(Not alone) I'll see you through the rain
(Not alone) Through the heartache and pain (not alone)
It hurts like never before
You're not alone anymore

I never knew I could feel this way
I never could see past yesterday
You feel that everything is gone (sha la la la, sha la la la)
I feel it too, you're not alone (sha la la la)

(Not alone) I'll see you through the rain
(Not alone) Every heartache and pain (not alone)
It hurts like never before
You're not alone
You're not alone
You're not alone anymore
Anymore, anymore
