

Travis Randy, Point Of Light

(Don Schlitz / Tom Schuyler)

There is a point when you can not walk away,
When you have to stand up straight and tall,
And mean the words you say.

There is a point you must beside,
Just to do it because it's right,
That's when you become a point of light.

There is a darkness that everyone must face,
It wants to take what's good and fair,
And lay it on the waste.

And that darkness,
covers everything inside,
Until it meet a single point of light.

CHORUS:

Home it takes
it's a point of light
a ray of hope

in the darkest night
if you see what's wrong
and you try to make it right
You will see a point of light
There are heroes,
Whose name we never heard,
a dedicated army of quiet volunteers.
Reaching out to feed the hungry,
reaching out to save the land,
reaching out to help they'r fellow man.

There are dreamers
who are make this dream come true
taking time to teach the children,
there is nothing they can't do.
Giving shelter to the homeless,
giving hope to those without,
is'nt that what this land all about.
One by one, from the mountain to the see,
point's of light, are calling out for you and me.

(REPEAT CHORUS)

TAG:

If you see what's wrong
and you try to make it right
You will be
a point of light.
