Been on that weed, with my team
Rolling with my team, yeah they all finessin'

Man, here it go, fish scale, A1 perico
Fill PJs up with kilos, then sell it like it's legal, yeah
Everybody he know, could have gotten hit with the RICO
Caught a couple of charges, they were weak though
Feds had to let him go in a week or so
Still, still need the key to blow
Whole heap of dough, ran the streets for so long
Man the team was so on, damn it seem like so long
Ago, we had 'em in Mexico
He tryna' make it back, three bricks more
The people always run up on us in Texas though
Only by the grace of God they ain't catch us though
Some lil' young nigga with some big dreams
Almost on the verge of doing some big things
Tryna' get a bird since he was sixteen
And now he playin' 'round with fifteen or more, ayy
You know a nigga love nice things (Nice things)
And the price in the hood is too frightening
Them niggas ain't gon' do the right thing
It's time for me to do my thing (Hey)

Finessin', finessin' (Straight up)
I can't go one day without finessin' (La Flame)
Finessin', finessin' (Bando)
I came up a hundred bands a week straight off finessin' (Straight up, straight up)
Finessin', finessin' (Straight up)
I can't go one day without finessin' (La Flame)
Finessin', finessin'
I came up a hundred bands a week straight off finessin' (Straight up, straight up)

Tell me why she wanna leave me?
She used me to get high
Oh she used me to get higher, higher, higher
So tell me why she wanna leave me?
Ooh, ooh, ooh, ooh-oo
Ooh, ooh, ooh
As the days go on, the southern region of our national anthem
The quest for La Flame, this journey, it's the last days
