Got a lot on my M, got a lot of the nay

Got a bitty, man that nigga make a hundred a day  
On her minds, I done got it  
Many problems, many money  
Hundred Pradas, in and out it  
Its in apartment, in a alley  
Whole lotta world gotta run with me  
And if I finesse get it gotta lotta dishin'

Nigga what's next  
What the world got pills?  
Where the homie got a head like yeah  
What a nigga won't do  
Hiding from a real right here  
Got a lemon on my neck like yeah  
Hundred niggas like yeah

What's next, depending how I'm tryna disrespect  
Might get a gold chain and ice my neck  
Yeah nigga what's next  
Might have to go and see the vet  
Cause I dogged my hoe for a check  
Yeah nigga what's next  
Tryna play both sides of the net  
That's how you wipe out your whole set  
Yeah nigga what's next, try to send a couple killers at my neck  
If I die my hologram gon' flex  
Yeah nigga what's next

I got a couple ideas, got a couple reasons why I'm out here  
Tryna move the wave a thousand light years  
Hundred, riding in the night yeah  
Black Bimmer, Hans Zimmer, Hans Zimmer  
Paint a picture, I'm overrated  
You overrated, come on baby, high living  
Hot sauce, I got a lot lot nigga for the right cost  
Woah, baby, woah now I need to slow down  
Back it up, I got a kitchen you know now  
Guys in the lab did that for my last thing  
Got it and I'mma fall, for my mommas back wings  
Woah, we don't have problems, ain't no more  
Yeah, high steals and the gat go  
Whoa, I pass it down for my E E

You got all the latest brands  
And you still ain't did a damn thing, hol' up  
Wait, low key, put the rap game in a choke hold  
Got your girl doing things she ain't supposed to  
Found a way to pay the bills off the Pro Tools  
What's next, gotta turn into a mogul  
Few bands, no Super Saiyan Goku  
My nigga hit the, just hit the driver with the old school  
What's next, me and Trav on a song too?  
What's next, putting on for the zone two?

Yeah, I got a couple ideas, made myself a livin' off my ideas  
They thought they could get rid of me, I'm right here  
Niggas can't get rid of me, I'm right here

What's next, depending how I'm tryna disrespect  
Might get a gold chain and that's what's next  
Yeah nigga what's next  
Might have to go and see the vet  
Cause I dogged my hoe for a check  
Yeah nigga what's next  
Tryna play both sides of the net  
That's how you wipe out your whole set  
Yeah nigga what's next, try to send a couple killers at my neck  
If I die my hologram gon' flex  
Yeah nigga what's next
