

Travis Tritt, Can I Trust You With My Heart

When you meet that certain someone,
You've been searchin hard to find.....
It's a new love full of passion,
That can sometimes make you blind.
I don't mind being swept away,
If I know right from the start.....
So before we go much further girl,
Can I trust you with my heart?
In the time we've spent together,
I have learned to trust in you.
So many things you given....
Before I even asked you to.
But reality and romance,
Are sometimes far apart.
So, what I really need to know is.....
Can I trust you with my heart?
Can I cast my cares upon you?
Can you stand the heavy load?
Can I count on you to walk me, down that long and winding road?
If you promise me these simple things, I can gurantee.....
You can always count on me.
Can I cast my cares upon you?
Can you stand the heavy load?
Can I count on you to walk me, down that long and winding road?
When two hearts souly surrender, and are sworn to understand.....
It completes a perfect union, between a woman and a man.
So please don't misunderstand me,
I don't want to go too far,
Without knowing just one answer

Can I trust you with my heart?
Please Girl....
Give me just one answer....
Can I trust you with my heart?
