

Travis Tritt, For You

Written by Travis Tritt & Bruce Ray Brown

You don't ask for much
And I tremble at the touch of your sweet hand
When I look into your eyes
I realize I'm such a lucky man
You've shown me love I never knew
And there is nothing I won't do for you
I'd almost given up
On the hope of having someone of my own
But you came into my life
And you made this empty house into a home
I could never ask for more
And every day I'm thankful for you
The first time that I held you girl
I knew that it was real
And now I wake up every morning
Knowing what it's like to feel
So much love for you
As the years go passing by
There'll be lows and highs
That we'll go through
But I can close my eyes and rest
'Cause come what may I'm blessed if I have you
As time paints silver in our hair
Just turn around, I'll still be there for you
You've shown me love I never knew
And there is nothing I won't do for you
