

Travis Tritt, What If Love Hangs On To Us

Hey Lover
Will we ever win?
Days over
And the war begins

And I don't wanna blame you but I do
And I don't wanna make you think there's something wrong with you
You're the only one I can trust
What if Love Hangs on to Us?

I keep thinkin' on to how we were
Before the hard times came
You and I unburdend by heartaches and the pain
Now we face the choice to change our hearts or simply hang it up
What if Love Hangs on to Us?
What if Love Hangs on to Us?

Hey Lover
Were we ever right?
Feel heavy
And we're losing sight

And I don't wanna be with someone new
And I don't wanna make you feel like crying but I do
All your tears leave you starting to rust
What if Love Hangs on to Us?

I keep thinkin' on to how we were
Before the hard times came
You and I unburdend by heartaches and the pain
Now we face the choice to change our hearts or simply hang it up
What if Love Hangs on to Us?
What if Love Hangs on to Us?

I keep thinkin' on to how we were
Before the hard times came
You and I unburdend by heartaches and the pain
Now we face the choice to change our hearts or simply hang it up
What if Love Hangs on to Us?
What if Love Hangs on to Us?

Hey Lover...
