

Treat Williams, Love Song

There's a wren in a willow wood
Flies so high, sings so good
And he brings to you, what he sings to you
And the love in his lullaby
Seems to tell me if I try
I could fly for you
Lover I wanna try for you cause

And I wanna sing you a love song
Wanna rock you in my arms all night long
I wanna get to know you
Wanna show you the peaceful feeling of my home

Summer thunder on moon-bright days
Northern lights in the skies ablaze
I'll bring to you, if you let me sing to you
Northern lights in a fiery sky
Show the trail of our lullaby
Sing to you, girl I wanna sing to you

And I wanna sing you a love song
I wanna rock you in my arms all night long
I wanna get to know you
I wanna show you the peaceful feeling of my home

Ooh la la la la
Ooh la la la la
