

Treble Charger, Pilot Light

You can't find me
You can't find me again
You can't drive me
You can't drive me again

Shot down again if it's easier to be alive
Kept on the mend you expected these things to arrive
I can't pretend that there's nothing I don't like
I can't pretend

You can't hurt me
You can't hurt me again
You can't kill me
You can't kill me again

If you listen to me
I'll just drag you down
I'm going nowhere again

Don't keep hanging around
Don't keep hanging around
