Vee vie vicky vie vee vie voo vum  
I'm a victim I'm a victim  
I'm a victim of a victimless crime  
VOC victim of chance  
Victim of circumstance  
Victim of society that  
holds its false ideology so damn high  
In a meat market mentality where  
everything is bought and sold  
Refuse to buy the capital lie  
Refuse to buy the capital lie  
We're all Victims
