

# Tree63, Anthem

I love You  
I love You Lord  
There's nothing above You Lord  
I am not my own - I am not alone  
I am waiting on You Lord  
And this is my desire: to go deeper into You

Father - Father me  
Jesus You're all I see  
I am not my own  
And I am not alone  
I am waiting on You Lord  
And this is my desire: to go deeper into You

I am always in Your heart  
I am always in Your heart
