

Tree63, Becoming

Does anybody feel a change coming?
Does anybody feel like up and running?
Does anybody here want to volunteer
To break through into a new atmosphere?

CHORUS

Here we go, here we go
Were becoming the One we know
Here we go, here we go
Heaven is becoming our home
Did anybody see the sun setting?
Does anybody want to spend time regretting?
Is anybody tired of owing yesterday?
Does anybody know that someone else paid?

CHORUS

Does anybody know whats really missing?
Does anybody here feel heaven insisting?
Does anybody here long to disappear?
Does anybody anybody? Here we go!

CHORUS
