

# Tree63, No Other

Jesus, there can be no other

Jesus, I'm yours forever

There is no one else like you, Lord, no one else

Beloved of God, bright, shining morning star

How beautiful you have become to me

A treasure so deep, I've given my all to keep

Now that I've found you, I won't let you go There's nothing on earth that could ever compare to you

Who else could set free this soul from isery?

Once I was blind, but you have made me see

You're with me, you're here, I have nothing to fear

My saviour I belong to you alone

There's nothing on earth that could ever compare to you -jesus...
