

Tree63, Worldwide

I could be your satellite
I could give you MTV
You don't need a dish tonight
I get all these things for free

Download this screen Saviour
When you're done saving save yourself
You could stay online in your car
Chatline no matter where you are

Virtual reality:
Just not real enough for me

Jesus Christ is still alive
I'm waiting for hom to arrive
An interactive courier above all multimedia

Optical holography:
Have not faith in what you see

Open up your window
How far are you prepared to go?
Could be more than just one drive
How many flavours have you tried?

Go: spirituality
No one here gets saved for free

Somewhere inside of me is the promise of eternity
Somewhere inside of you is the promise that you hide from view

You don't need to understand
You just need to take his hand
