

# Trembling Blue Stars, Do People Ever?

I want to say "Do you know what I went through?"  
But of course you do  
For the way you broke me all up inside  
Just mirrors what I did to you  
I never thought you'd do what you did to me  
I was always so sure  
About how you felt towards me  
But I know that it's not as simple as that  
No it didn't just come  
Out of the blue  
But through all I did to you  
I'm not the only one to have cried and cried  
You went through that hell too  
I'm just the only one  
Who must shoulder the  
Blame for breaking us in two  
The only one  
Who must shoulder the  
Blame for breaking us in two

And I never thought that we'd end up  
Fighting one another  
But then again  
Do people ever?

No, I never saw us winding up  
Fighting one another  
But then again  
Do people ever?
