

Trembling Blue Stars, Nobody But You

What am I going to do
I don't want to live without love
But I don't want to love
Nobody but you
Someone who doesn't want
Me any more, me any more
Someone who no longer wants me
What am I going to do?

Anyone else
I'd always be thinking
How they're not you
I'd always be thinking
How they're not you
I just wish you
Would give me the chance to
Never, never hurt you again
Why must it be that
I was too late in seeing that
In thinking my love gone
I couldn't've been more wrong
Anyone else
I'd always be thinking
How they're not you
I'd always be thinking
How they're not you

What am I going to do?
I don't want to be
Alone in the world
But want you only
But only want you
