

Tremeloos, Here Comes My Baby

In the midnight, moonlight hour
hes walking along that lovely mile
and everytime I do
I Keep seeing this picture of you

Here comes my baby, here she comes now,
and it comes as no surprise for me
with another guy
Well here comes my baby, here she comes now
Walking with her love, with her love, that's oh-so fine
never to be mine, no matter how I try

You never walk alone
and your forever talking on the phone
I tryed to call you names
but everytime it comes out the same

Here comes my baby, here she comes now
and it comes as no surprise for me
with another guy
Well here comes my baby, here she comes now
walking with her love, with her love, that's oh-so fine
never to be mine, no matter how I try

(Whistles beat)

Here comes my baby, here she comes now
and it comes as no surprise for me
with another guy
Well here comes my baby, here she comes now
walking with her love, with her love, that's oh-so fine
never to be mine, no matter how I try
