

Trent Monk, Have I Told You

Have I told you lately how much I think about you?
The way you laugh, the way you love, the way I feel around you
The stars would fall for you
And I would die for you

And have I told you lately how much I dream about you?
The way your eyes dance in the sun
The way the heavens wrap around you
And I would walk the world
To prove that I'm yours

(Chorus)

And have I told you you're an angel
More beauty than the morning sky
A heart of love that last forever?
I get lost in your eyes
I get lost in your eyes

Have I told you lately how much you mean to me?
How every word from your mouth is like a drop of honey
The stars would fall for you
And I would die for you

(Chorus)

And I can barely breath when I'm without you
Honestly, believe I'd die without you
You're the rhythm that my heart beats to
And I'll do anything because I love you

(Chorus)

Have I told you you're an angel
