

Trey Lorenz, Kat And Trey

Trey and kat,
together forever,
seeing how this changes,
through weather,

Only hug,
no kisses,
he'll be the one,
regreting who she is,

Trey and Kat,
Love Birds at times,
he'll call her his,
and she'll call him "mine";

He'll be with her,
over and out,
they won't fight,
they'll never shout,

Together forever,
is what they'll be,
we know they're right,
can't they see...
