[Trey Songz:]

We going long (we going long)

Do what I say (do what I say)

I've got my game face on (yeah, yeah, yeah)

My game face on, my game face on? yeah!

I got my game face on, come on

[Young Jeezy:]

I got my choppa in my ?rari

In case I see my enemy

I don't know what's gotten into me

Tonight I'm on this Hennessy

I won't usually do the brown

But tonight is special (special)

Sam Rothstein be my agenda, yeah my special

My 2 door is retarded, I call that bitch special-ed

I don't even know her name, I just call her special

Another year, same haters, usual suspects

Word 'bout another nigga, I swear that shit is suspect

Keyser Soze, sold the yay? and I got away

Hit the club, there fresh, in case I die today

Hail Mary, told her it's the world, ain't got shit to lose

'bout to go long, celebrate, like I'm Victor Cruz

[Trey Songz:]

Hey baby you say you like it deep, hail Mary

Hey girl you know the play, hail Mary

Tonight we going long, yeeeah, we be going long

Hey huddle up, hail Mary

Tonight we going long

[Trey Songz:]

Whatever you want I got it

Got a drop-top in my pocket

You pop it, you watch it

Keep on poppin' and I'mma drop it

So hard to be alone

But right here at this moment you the one I want to roll so..

You got the baby baby, it's in your hands

I'ma be the coach, I'ma let you know the plan

What's next is, baby you and me exitin'?

What now? I'ma get you naked, do a little bit of sexin'?

Touch down

I wish you let me score, I'ma wanna score again

Double O, triple O, baby I'ma play to win

You say the best stuff, and see some good D

Hey girl I heard you like it deep

[Trey Songz:]

Hey baby you say you like it deep, hail Mary

[Lil Wayne:]

Tunchi in this muthafucka

Hail mary full of grace

I dont remember her name, but I remember how her pussy taste

I go long, so long, she love the way that I put it down

Gotcha going in circles, all you gotta do is look around

I?m Mr Right and she Miss Tonight, pussy so nice gotta kiss it twice

Pussy so tight my tongue get stuck, my tongue get stuck like licking ice

Hoes call me QB, I throw that dick too deep

I told her shes the preachers wife, she said practice what you preach

She said ah me so horny, he love me long time

I say how bout 69, she say numbers dont lie

I say true you ain?t never told no lie, you ain?t never told no lie

And you know they say love is blind, so close your eyes
