(Ummmm no)

If I could be up in the middle of
Just wanna be in the middle of
Middle of your love

[Verse 1]

If I could be, anywhere in the world I would be
inside your skirt in you gurl between your knees
everyday of my life, my life, my life
I just want, to make your body really want to get it on
We could turn the bed into a stage and then perform
Your body's gettin hot gurl I could feel its warm
I show you what I'll do

[Chorus Repeat 1X]

If i could be up in the middle of
(Middle of your love)
Givin you a little uh
(Like A Cup, I'll Fill Ya)
Just wanna be in the middle of
(The middle of your love)
Your love, love, love, love

[Verse 2]

If I coule be, believe me gurl I would be your fantasy
I'll make you come right were you'll be on top of me
So can we get that close, where I could fell your body sweat
Tryin' to make yo body wet
Can we, climb the mountain top screamin' urcstacy
We so high up in this love,we reach the peak
We ain't never coming down, baby keep makin that sound
(If I could just be)

[Chorus Repeat 1X]

[Bridge]

It' s got me open, willin', and ready
Baby I'm open, listen up and here me
I'm not tryin' to be in the front or the back, by the side,
just in side, deep inside, the middle of your love
Oooooooooooooooooooooo oooooo

(Let me in, let me in the middle)

[Chorus Repeat 2X]
