I can only say that time has come  
The waiting's on your own

If you're feeling insecure  
Happening not fewer

Like a drum, a gun, I'm done

On and on, I'm feeling blue  
On my own, to see, to do

With a flash before eyes  
Is an impact disguise

On and on, I'm feeling blue  
On my own, to see, to do

Getting it on the two  
The repetition  
Is it a deja vu  
Waiting on the hour  
(x2)
