Tribal Ink, When You Thought (Demo)

You tried to find a reason why it all went away
And you think of what you could have done different.
When you thought you were complete
You opened up your eyes.

When you thought you had it all
That's when you lost it.
If you want to hold on to everything,
You will FALL!

You are around chasing things that disappears, (?)
You can't get enough 'cause you want it all.
When you thought you were okay
You opened up your eyes.

When you thought you had it all
That's when you lost it.
If you want to hold on to everything,
You will FALL!

When you thought you had it all
That's when you lost it.
If you want to hold on to everything,
You

When you thought you had it all
That's when you lost it.
If you want to hold on to everything,
You will FALL!
