

Tribbs, Can't Get Enough (Dr. Feelgood) - feat. K

Calling Dr. Feelgood makes me feel good
Calling Dr. Feelgood when the sky is blue

All my life, all my life, searching for the truth
Say it loud, say it loud, tell me what to do
Round and round, up and down
Spinning through the night
I'm in a vibe, I'm in the sky
I'm going loco, oh baby

Calling Dr. Feelgood makes me feel good
Calling Dr. Feelgood when the sky is blue
Calling Dr. Feelgood makes me feel good
Calling Dr. Feelgood

Don't stop, don't stop, can't get enough
Can't get enough
Don't stop, don't stop, can't get enough
Can't get enough

I'm alive, I'm alive, there's no time to wait
Going high, going low, drunk and in a haze
I can see, I can see everything tonight
I'm in a vibe up in the sky
I'm going loco, baby

Calling Dr. Feelgood makes me feel good
Calling Dr. Feelgood when the sky is blue
Calling Dr. Feelgood makes me feel good
Calling Dr. Feelgood

Don't stop, don't stop, can't get enough
Can't get enough
Don't stop, don't stop, can't get enough
Can't get enough

Calling Dr. Feelgood makes me feel good
Calling Dr. Feelgood

Don't stop, don't stop, can't get enough
Can't get enough
Don't stop, don't stop, can't get enough
Can't get enough
Don't stop, don't stop, can't get enough

Calling Dr. Feelgood makes me feel good
Calling Dr. Feelgood
Don't stop, don't stop, can't get enough
