

# Trick Daddy, Ain't A Thug

[Trick]

If I ain't a thug, you think I aint a thug  
then tell me what I am

[Chorus w/ Trey Songz]

cuz if I aint a thug, why do I feel this way  
why the steets stay on my mind  
since I am a thug, why do y'all get so mad  
why can't cha'll accept that, it's my life

[Trick]

If I ain't a thug then y'all tell me who is  
how many other mutha fuckas y'all know can do this  
yea I'm a thug fo ever and I never ever  
disrespect the game or cross one of my niggas (listen)  
slippin' already cost one of my niggas  
so I better select the fools that I be chillin' wit  
and I don't know nothin', didn't hear or see nothin'  
I can't remember, but yet still I won't forget 'em  
I'm from the dark side, born and raised in a thug life  
and I'm out the city from the drug dealers and wise guys  
if I ain't a thug, then you explain it cuz  
how come a young nigga livin' so dangerous  
and why my name always somehow involved in stuff  
it's obvious, y'all can't target us  
yea I'm a thug nigga, but I ain't a drug dealer  
Three time convicted felone, so should I know better

[Chorus]

[Trick]

From day one I've been thuggin'  
and I'm lovin' every minute of it  
So all you crittics and haters I'm sayin mutha fuck ya  
I don't like ya, and therefor I don't trust ya  
You couldn't shake me up, now you tryin' to set me up  
It's bad enough we had it rough when we was growin' up  
You killed Pac and Biggie, now try to kill us  
but I throw my Fos up, cuz I'm foeva fo sho  
A thug rebal fo certain, that's why I never listen  
I ain't the snitchin' kinda nigga  
Yo, and I'm a different kinda nigga  
So you bustas can't leave me  
ain't no centamental nigga  
I'm sittin' on spinners nigga  
So when I'm draggin' my Denim  
don't you bustas try and hit em (hear me)  
I'm from the parts where the stars like to hear the stars  
Quality sound beatin down in each and every car  
Givin' them hell like I'm David Chappelle  
Prostitute boy there with plenty dick for sale

[chorus]

[Trick]

Since I am a Thug, that's why you listen to me  
Cuz I'm a T.H.U.G. officially, you see  
A lot a niggas still doubt a nigga  
so when they conversatin they be playa hatin' bout a nigga  
but I expect them to, what else they supposed to do  
when they dead broke and I got more flow then they do  
and they mad cuz I don't fuck wit them  
Oh well stay mad cuz I don't kiss niggas ass (bitches)  
I'm too busy bein' a real nigga

So if you fuck wit me  
you can fuck around and get killed nigga  
The truth is Mr. Dollars is the real deal  
Hell I'm the mutha fucker made county bail (yeah)  
And I'm strictly for the Thug cuz I'm showin off  
and I'm quick to straight fuck a nigga (what)  
Huh, pussy nigga, what  
For my mutha fuckin' thugs

[Chorus repeat till end]
