Trick Daddy:

If you want some, come get some,

cuz where I'm from we tote big guns, (Yeah)

And everybody know somebody that know somebody that know somethin bout it, (Yeah)

And I want answers now who, what, where, when and why,

see, a lotta dudes like to act a fool and all get all loud but that aint my style, (What)

and he who he gonna get and what he gonna do, (what he gonna do)

run up on me if he want to,

Out there impressin his homies,

but he stood up in front of his mama,

I mop up the flo wit em,

And I kick in the door and let the .44 get em,

I got fools that'll go get em,

This for him, the crew and the dudes that run wit em.
