You see the part of making busta ass niggas you been fucking with
Always busting shit, but never talking shit
Any of us tell you don't think that a playa did it
And made you wear the life is more than a hell didn't it
Boy I tell you, and that's the deal with them real niggas
And stay far away from fuck niggas
Don't be a sucka at least not for nothing are you
Sucking and fucking, a bitch better have something
I need something that's compatible
Not nothing young and dumb and full of cum but wanna lettable
I better, nigga like T Double, get it wetter
Suck her fuck her better than the average nigga
I need a girl that's into trying thangs
So I can put her into my frame, and land in the mind game
I know she's a mama girl and I'm a street nigga
Once we get together, I bet you she'll sleep better

[Chorus - 2x]

[Trick Daddy]

Baby girl it's better to keep it thugged out
Ain't nothing like it when you, scratching and biting only gets me excited
She like, T Double why you fucking with me
I done came three times and you still sucking on the first titty
I'm like girl you better work it better
Like the full moon in June but pretty soon I'll be hurting it
Now turn around, let me calm you down
We go up and down, real niggas puts it down
I'm getting acquainted with the clitoris
I keep my hands to my sides, while I slowly spread the lips
I eats it up, 'fore I beats it up
The first quarter slow motion, second half, speed it up
Plus she already owe me one, she like
Nevermind, but this time we 69ing
I need my dick sucked C.O.D.
This is T Double D I get my dick sucked O.D.P.

[Chorus - 2x]

[Trick Daddy]

Being that I'm missing you, been having fantasies of kissing you
I get the picture, I piss you but what I'm suppose to do
Or could it be that I'm falling in love
Or a possibility I'm way too far for a thug
I'll never tease you, I'm here to please you
And baby girl believe it, girl I'll never leave you
I'll be your freaky deaky lover man
Making love forever trying all the god damn numbers
When we, rubbing and touching eachother
Oh my god it's getting hard and you getting wetter and wetter
It's getting better and better, wish it could last forever
But never never, nothing I ain't worried girl

[Chorus - 4x]
