

Trick Pony, Hillbilly Rich

Spoken:

Here's a story 'bout the underdog
One dollar, five digits, and a powerball
A hundred million bucks riding on that ticket
Here's what happens when a redneck hits it

Kick It!

Song:

He jumped up and he tore off his Texaco shirt
He didn't even notice he was ??walked off work
He ran straight to the bank to collect his money
He said "I'll take it in cash and nothing bigger than a twenty";

Now the kin folk say "Man, it don't make sense
"He's still living with his mama but he won't pay rent
He got a high-definition television in his trailer
He's rich in the trunk ?? but stealing cable from his neighbor

Oh yea
He's hillbilly rich, he's hillbilly rich
Just a poor boy living out in the sticks
Look at him now, man, he's hillbilly rich

Now the farmer scratch his head and say "You must be kidding
"His tractor's standing still but the rims a-keep a-spinning

He got the front-end bouncing from the air suspension
??? In case he wants to watch fishin'

He's hillbilly rich, he's hillbilly rich
Just a poor boy living out in the sticks
Look at him now, man, he's hillbilly rich

Son

<whistle> yea

He's hillbilly rich, hillbilly richichich
Just a poor boy living out in the sticks
Look at him now, man, he's hillbilly rich

He's hillbilly rich,
That boy's hillbilly rich
Ha hillbilly
