

Tricky, A Song For Yukiko

Yukiko Takahashi:

Anata no tame ni mo kono doresu o kimasho (So if you would put a dress on)

Samonaito puressha ga kakaru kara (Unless you put the stress on)

Kami o mimi ni mo kakete (Tuck your hair behind your ears)

Anata no namida mo bakageta kyofu o kakushite shimaimasho (Your tears, your silly fears)

Watashi ga anata no Tedi Bea ni mo naru wa (I'd be your Teddy bear)

Watashi no fuku o erande chodai (You'd choose the clothes I wear)

Anata no tame nara donna itami ni mo taerareru (For you I'd suffer much pain)

Garasu no hahen ni mo, zutsu ni mo (Sharp glass migraine)

Anata wa shoten o ushinatteiru (For you I'd lose my focus)

Batta no mure no naka o oyoideiru ne (I'd swim in swarms of locusts)

Anshin shite oyoideiru (For you I'd swim with ease)

Chikyu o sukuimasho (Save the planet)

Mori o nokosu no yo (Leave the trees)

John Suzuki:

Yukkuri, yukkuri

Tricky :

Slowly

John Suzuki:

Shitteiru yo ni mo

Tricky :

Act like you know me

John Suzuki:

Yukkuri, yukkuri

Tricky :

Slowly

John Suzuki:

Shitteiru yo ni mo

Tricky :

Act like you know me

Tricky :

So if you would put a dress on

Unless you put the stress on

Tuck your hair behind your ears

Your tears, your silly fears

I'd be your Teddy bear

You'd choose the clothes I wear

For you I'd suffer much pain

Sharp glass migraine

For you I'd put a stress on

For you I'd put a dress on

For you I'd lose my focus

I'd swim in swarms of locusts

For you I'd swim with ease

Save the planet

Leave the trees

For you I'd put a dress on

A dress to impress on

John Suzuki:

Yukkuri, yukkuri

Shitteiru yo ni mo
