

# Tricky, Pumpkin

pumpkin  
you're hollow kid  
more how i'm to do  
let the heart give us some  
set the word seeds  
like flowers they  
shine out when  
i find what will make you  
love me  
life is our find  
hollow is he  
(Tricky section)  
So hollow  
don't back  
over someone who  
(?)  
follow thee  
how, how i feel  
(Tricky section)  
So hollow  
how i  
go on  
(Tricky section)  
I can't breathe and I can't see  
MTV moves too fast, I refuse to understand  
You go your way and I'll see mine  
Feels like wasted time  
And it feels like I must be blind  
How'd you like yourself, you don't know yourself  
I smell of she and I fail to be  
Well, anyway.. Well, anyway.. Well, anyway..  
I can't breathe and I can't see  
I can't see and I can't breathe
