

# Tricky, Your Name

If you like-a me like  
I like-a you  
Then we like are just the same  
I'd like to say,  
This very day  
I'd like to change your name  
Cause I love you and  
Love-a is true and  
If you will love-a me  
One live as two  
To live as one  
Under the mango tree  
If you like-a me like  
I like-a you  
Then we like are just the same  
I'd like to say,  
This very day  
I'd like to change your name  
Cause I love you and  
Love-a is true and  
If you will love-a me  
One live as two  
To live as one  
Under the mango tree  
I'd like to say  
This very day  
I'd like to change your name  
Cause I love you and  
Love-a is true and  
If you will love-a me  
One live as two  
To live as one  
Under the mango tree  
(Said almost whispering, barely audible over the music. Sung only by  
tricky at this point)  
[Two live as one  
We live as two  
Under the mango tree  
If you like-a me like  
I like-a you  
Then we like are just the same  
I'd like to say  
This very day]  
I'd like to change your name  
Cause I love you and  
Love-a is true and  
If you will love-a me  
One live as two  
To live as one  
Under the mango tree
