

# Triinu Kivilaan, Now and forever

I remember when we were young and free  
Nothing could stop us we lived our life  
Our love was growing from day to day  
Now I cant believe it passed away

REFREN:

For now and forever youll be in my heart  
For now and forever just you  
Ill never forget all the things that we share moments we live in love  
Now Im standing here all alone  
Dont know what happened  
Our love was strong  
I cant understand why you gone  
Please tell me why on my own  
All these memories fill my mind  
Now and till the end of time - forever
