

Triinu Kivilaan, Rescue me

There was a time when I just felt to be a savior
When there were troublemakers all around me
You said you tried to help me out of my frustration
Instead of staying here you turned away

REFREN:

Rescue me, help me out
Make me scream, make me shout
Rescue me, not a doubt
Try to turn me inside out
I still remember all the pleasures of my childhood
The tender easiness and all the nice resorts
I closed the curtains as I hid my emotions
And darkness grew on an on
