

# Trik Turner, Friends & Family

Some call me a loser  
Some call me a cheater  
Some say I'm a selfish  
Untalented dreamer  
Cause all I try to do  
Is keep my dream alive  
But it's so hard to do  
When your working 9 to 5  
I've never been one afraid to die  
But I'm afraid to leave behind  
The precious life that grows  
Through the sands of time  
Cause now I've got two daughters  
And I know they need their father  
To help them make it through  
All of the devious things that people do  
Cause every moment counts  
From the good times to the bad  
I don't have time to envy  
Those that got things I've never had  
Cause the one thing most important  
Is the one we take for granted  
And until your life is on that line  
I think it's the way God had planned it  
To open up your eyes  
And make you realize  
That to some life is money  
But what's money without life  
Cause all I need  
Is the air that I breathe  
And my friends and family  
To believe in me

As deep as the abyss  
Where the waters run  
As deep as the land  
Of the rising sun  
You know I'm down  
Even when them odds  
Are against us  
It doesn't even matter  
Nothing else matters

As deep as the abyss  
Where the waters run  
As deep as the land  
Of the rising sun  
You know I'm down  
Even when them odds  
Are against us  
It doesn't even matter  
Nothing else matters

We bleed the same blood  
We cry the same tears  
We have the same fears  
We pass the same years  
We see the same stars  
Under the same sky  
We pass the same time  
We all live and die  
Cause friends and family  
Wash thicker than blood  
And if ya never felt love

Then I feel for you, Cuz  
Cause lives pass above us in 747s  
Deceased dwell below us  
Before they go to heaven  
Everything in between all has a meaning  
Some stay connected  
While others keep fiending  
Looking for that meaning  
But the lost can't be found  
Drop to your caps and pray  
Now can ya hear the sound  
Do ya feel it  
Do ya feel it comin  
Two triple zero  
The hunters are the hunted  
Electrical currents  
Conflict with the spirits  
Ah do ya hear it  
Ah or do ya feel it  
Deep like seven leagues  
Life intrigues intelligence  
Got no time for clutter  
You're late if there's hesitance  
Put your foot forward  
And there will be a helping hand  
Take a step back  
Then your stuck in the quick sand  
Ingesting toxins keeps us locked in  
A mental jail trap  
99 where your family at

Oh and I might fail  
Oh I might succeed  
Whatever the outcome is  
Just keep your faith in me  
Just believe in me  
And I will be there

As deep as the abyss  
Where the waters run  
As deep as the land  
Of the rising sun  
You know I'm down  
Even when them odds  
Are against us  
It doesn't even matter  
Nothing else matters

As deep as the abyss  
Where the waters run  
As deep as the land  
Of the rising sun  
You know I'm down  
Even when them odds  
Are against us  
It doesn't even matter  
Nothing else matters

As deep as the abyss  
Where the waters run  
As deep as the land  
Of the rising sun  
You know I'm down  
Even when them odds  
Are against us

It doesn't even matter  
Nothing else matters

As deep as the abyss  
Where the waters run  
As deep as the land  
Of the rising sun  
You know I'm down  
Even when the odds  
Are against us  
It doesn't even matter  
Nothing else matters
