

Trina, Sex In Public

Man, you make me crazy
I want to eat you whole
Boy you make me horny
Let's go and smoke that bowl
Go give it a whirl
Bitch, not you! You make me hurl!
Let's get it on (all night long)
cum on, cum on
in and out, pop that cherry
oh just like that!
Should I shave? (or do you like it hairy)
oh no don't pull out
you like it like this?
shut yo mouth! (ha ha yeah)
