(feat. Lil' Wayne, Rick Ross, Plies)

[Trina:]

Yup Yup

Rick Ross  
Slip-n-Slide Remix  
The Big Boss  
Maybach music

[Lil' Wayne:]

Who's that making that funky noise?  
It's Weezy baby and Trine B  
And it's the remix baby

[Lil' Wayne:]

I know what I did  
And how I act  
And if I see you with a man I'm a get my gat  
{woop woop}  
I'm just playin'  
It won't be that  
I got enough legal wounds  
And I don't need that  
And I gave you a ring that I don't need back  
Because I know one day you gon be back  
Not today  
But one day  
And my friends say I need my Beyonce  
Back, like my name was Sean  
I mean you stand tall  
But me I lean  
What's wrong?  
Everything  
Wayne, what's right?  
Wayne and Trine B  
Like a string bean  
Girl I'm healthy  
Girl I'm lyin  
Girl just help me  
Help my fly  
But what flight are you on?  
You might not be talking bout me in this song

[Chorus:]

I'm single again, back on the prowl  
I thought it was perfect, I don't know how  
I'm single again, back on the prowl  
I thought it was perfect, I don't know how  
I'm single again

[Rick Ross:]

Hold up wait a got damn minute  
It ain't benz then the boss ain't in it  
Yeah it's dark tinted  
I had to red rim in  
She got the same ones  
Just add the red ribbon  
Sexy, like she wanna breath again, leave again  
I ain't ever need a friend  
Yeah I'm in the thangs  
Throw away money  
And I'm in the range with Floyd May money

Lord Pray for me  
I'm single again  
Now look who I'm mingling with  
Left my baby momma  
Cause she didn't get shit  
You might see her ridin' in the street  
Single again

[Chorus:]  
I'm single again, back on the prowl  
I thought it was perfect, I don't know how  
I'm single again, back on the prowl  
I thought it was perfect, I don't know how  
I'm single again

[Plies:]  
You damn right I cheated  
I couldn't get it from you when I need it  
Cause dealin' with you it ain't easy  
Think I'm a let you talk to me greasy  
I ain't one of them little lames sweetie  
So you single again?  
Well we even  
I know you miss how I beat it  
You'll be back cause he don't eat it

[Trina:]  
Got six  
Run you lips bout that  
Say Trina still the baddest  
April 1st I'm back  
No April Fools Joke  
Finna make the world lean, hah  
Hold up she back on the scene  
Weez and Trine B  
Plies and Rick Ross  
Like Hilary Clinton  
I'm the boss  
Dude came back  
Cause he know where it's at  
Super bubblegum brain  
Tell me how you like that  
I'm hotter than fish grease  
Hotter than a heater  
Every magazine cover you gon see Trina  
Black Men magazine  
King, I'm Smooth  
Sister to Sister  
Crip, What it do?  
Thought the grass was green on the other side  
Millionaires over here  
We say fuck the other side  
While you was out shonin  
I don't know why  
I stayed so alone  
You couldn't say bye

[Chorus:]  
I'm single again, back on the prowl  
I thought it was perfect, I don't know how  
I'm single again, back on the prowl  
I thought it was perfect, I don't know how  
I'm single again

[Trina:]

Diamond Princess  
Yeah  
I'm still the baddest  
Ha ha ha

I'm single again  
I'm single again

[Chorus:]  
I'm single again, back on the prow!  
I thought it was perfect, I don't know how  
I'm single again, back on the prow!  
I thought it was perfect, I don't know how  
I'm single again
