

# Trine Jepsen & Michael Teschl, This time I mean

This time I mean it, oh baby)

I don't know what it's all about, but I'm startin' to figure out

Simple songs on the radio kinda colour the way I go

Every song holds an inner key to my dreams and my fantasy

Defences down and suddenly all your love comes back to me

And this time I mean it, oh baby, this time I mean it and now

You got me goin' so crazy even though I don't know how

Tried it before but we never happened, we just gotta try it again

Well, this time I mean it, oh baby, I'm in love with you again

Oh... I know what was said and done, it's been hard just to carry on

The sweetest love left a bitter taste, who's to say it was all a waste?

Mmm... 'cause in each quarrel, in every fight, there's a lesson 'bout wrong and right

Oh... looking back, I'm sure to say that we learned from yesterday

So this time I mean it, oh baby, this time I mean it and now

You got me goin' so crazy even though I don't know how

We tried it before but we never happened, we just gotta try it again

Well, this time I mean it, oh baby, I'm in love with you again

This time I mean it, oh baby, I'm in love with you again
