Oh, I've had girls a'plenty
Out in the evening breeze
Sailed on ships from Mandalay
To the China Seas

(Chorus)

I'm comin' home Cindy, Cindy,
I'm comin' home Cindy, Cindy,
I'm comin' home Cindy, Cindy,
And then I'll make you mine.

Huh!!

My true love lives in Natchez
And that's a way down South,
Got me longin' for a kiss
From her pretty mouth.

Chorus

Hah, Hah!

Her hair is piled in ringlets,
She has a roving eye,
And her voice is heavenly
Sweet as apple pie!

Chorus

(Last Line: I'm gonna make you mine.)

Huh!

So get the parson ready
I've got that wedding ring.
When church bells start to chime
Everybody sing!:

Chorus

(Last time: I'm gonna make you mine)

(One more time)

I'm comin' on home Cindy, Cindy
I'm comin' on home Cindy, Cindy
I'm gonna make you miiiiine.....
