

Trinidad Cardona, Dinero

Oh oh oh I don't know
No soy traficante
Pero escucho corridos que juega tomando tecate
Ya dimelo antes
Ya si quieres dinero, lo siento no tengo

She take my dinero
Take my dinero
She take my dinero
Take my dinero
She playing helle hard
Playing for pesos
She playing helle hard
Playing for pesos

W whip, whip, i am rolling
I got my money open
She text me good morning
The i am ready to go out and buy
Anything that she like
Get whatever's on herm ind
Spending money ovetrtime
Oh my

I wake myself with the sun of the mornning
I paly myself witha stunner performace
She take all my money and now she gone
And i am broke as a bitch and i am all alone

Trying to ball for this
Wearing the same, cloths
Trying to stay low
Looking for pesos

She take my dinero
Take my dinero
She take my dinero
Take my dinero
She playing helle hard
Playing for pesos
She playing helle hard
Playing for pesos

My heart is broken
My money's stolen
My shawty is so bad
Anything that she likes
Get whatever's on herm ind
Spending money overtime amor

...

She take my dinero
Take my dinero
She take my dinero
Take my dinero
She playing helle hard
She playing helle hard
