

Trio, Tooralooraloo - Is It Old & Is It New

Long ago and far away
do I miss you I can't say
far away and long ago
do I miss you I don't know
uuh I loved it there and then
but would it be like there again
Tooralooraloo
is it old & is it new

Tooralooraloo
Tooralooraloo
Tooralooraloo
is it old & is it new

Long ago and far away
do I miss you I can't say
I remember your green eyes
and I won't forget you smile
still I don't know what to do
maybe dreaming dreams of you
Tooralooraloo
is it old and is it new
