

# Trip Lee, Intimacy

Oh Lord I'm so amazed when I dig up in you scripture  
Focused and trying to get you, hoping to get a picture  
Of who you are, true you are, holy hoping I miss you  
When I get away and I miss a day spending it with you  
That's foolish, I hope to know you and be a student  
And learn your holy ways all my days with no excuses  
Ooh its such a privilege to know the God that moves and  
Soothes this wretched soul, it was cold but he renewed it  
And when I look at the Psalms I just pause  
Got me dropping my jaw, its clear you got them in awe  
And we can see that they yearning for your person  
Panting after you, and their passion for you is burning  
I'm trying to pursue you 'cause you precious as a pearl  
more than I did with them girls, I used to mess with in the world  
Relentless in my pursuit, I surrender it all to you  
And pray you'd draw me closer in intimate time with you

Hook:

There's a longing for you love  
Not just a moment, intimate touch  
(Repeat)

Verse 2:

It's way too many times, I'm staying off on the grind  
In other areas and I bury you in my mind  
Then my life starts getting terrible, scarier and I find  
Myself trying to get near to you, but you was here all the time  
But I was having my share of affairs with things you designed  
Kind of like a bad marriage, it's scary it's like I'm blind  
And I'm praying you'd help me, hold me, and make me focus  
I know that when I'm lacking you I'm more than hopeless  
Mold this wicked heart to delight in your precious person  
Fighting, confessing, searching for Christ and lessons for learning  
It ain't even nothing good in me that I might show you  
But I can see that eternal life's that I might know you  
I want to know you be close to the God who saved me  
Raised me, I pray we can be much closer  
And I- I can embrace the beautiful life that you gave me  
I count it all loss Lord that I might know ya

Hook

Vamp 1

I'm longing for your endless love  
The knowledge of who you are  
The truth that lies within your Word  
Show my heart who you are

Verse 3:

Truly I can't wait till this flesh is removed  
And I'm forever with you sins mess is removed  
Then there's nothing in the way, there's none better than you  
To ignore that I'm more wack this fella's a fool  
You so mysterious, I read about you see I  
I am so in awe of you, I'm all for you you truly fly  
The truth is I'm in love with you and hope that you see I  
Would like to see you and I in U-N-I-T-Y

Lord bring me closely  
Intimately  
So to show me  
Who you are  
and the fill my cup  
(repeat)

Just a lil bit more  
I need a lil bit more  
Na-na-na-na  
More and more  
More and more..
