

# Triple Image, What I Like

(oh yeah, that's what i like)  
i'm just waking up, wanna go for a ride  
but i can't drive so i step outside  
and i go for a walk to see my boyfriend

if he ain't home  
i'll leave a message on his cell phone  
i love to just have a good time  
chillin' at the movies with my friends  
and i know i'm just doing what i like  
i'm keeping it real, no need to pretend

(chorus)  
i may be young but i know what i like  
and i don't really care what they say about me  
im just having fun and im feeling alright  
don't knock me cuz im keeping it tight  
just doing what i like

now i feel like dancing, wanna dance all night  
i hear the music playing and that's what i like  
i like to sing my songs and do my thing  
and i don't see nothing wrong if i just wanna hong  
i like seeing ur hands up in the air  
and i like watching all the cute boys stare  
at me just doing what i do  
and this goes out to all of you, yeah

(chorus repeat)

like - and you wanna groove  
with me so come on and won't u feel the beat  
and do what you like for me  
cuz that's what i like to see

(chorus repeat)

dancing i like  
movies i like  
cuties i like  
singing i like  
talking i like  
chillin' i like  
and i wanna see u do what u wanna do

that's what i like..what i like

that's what i like  
that's what i like
