

# Tripod, Nothing To See Here

Nothing to see here  
Just the son of god  
Nobody special  
Just the fucking lord  
Keep right on walking  
Why would you stop  
Whats inside the stable?  
Just some dumb old baby  
That's right keep moving  
The lords born everyday  
You can come tomorrow  
He's getting born then too  
this is what you're saying  
Youve already seen him born  
you're not stopping are you  
so ill just shut up  
yes ill just shut up now  
I said ill just shut up now  
this is me shutting up now  
Im shutting up
