

# Tripping Daisy, Geeareohdoubleyou

Geeareohdoubleyou -- grow.

I know because you are here, and we live by the sun,

You know why.

Til' someone comes down and takes all of the fun.

I know that you feel the same.

You don't owe me, you owe superworld.

I'd like to take you for a ride, yeah.

I loved the days when we were younger then, and rainbows caught us.

G.R.O.W. -- that spells 'grow'.

I know because you are here, and we live by the sun,

You know why.

Til' someone comes down and takes all the fun.

Well, I know that you feel the same.

I can see the stars, they're brighter than you,

You are a lucky fellow.

I can see your heart, it's brighter than you,

I have seen lovely weather.

I have seen the stars, they're much more brighter than you.
