

Tripping Daisy, We're Only Gonna Die

Early man walked away as modern man took control
Their minds weren't all the same, to conquer was his big goal
So he built his great empire, he slaughtered his own kind
Then he died a confused man, killed himself with his own mind
Go
We're only gonna die from our own arrogance

Tim: "Why thank you
You like the song about the facists, don't you?
Its amazing how you can like something so wrong
But thats okay
Aren't we the free-fighters?"
