

Trish Stratus, I Just Want You

Make up your mind, don't you want me
Like I, want to feel that, touch
that haunts me every night
It felt so right

I just want you, there's no denying
I just want you, there's no hiding,
I just want you Do you want me?

So far away, another night alone
Another day, another telephone call home
But one day, I'm gonna find a way to
Make you stay, in my arms 'till everafter comes
You are the one

I just want you, I just want you,
I just want you Do you want me?

Got a feelin' that it's time to make a change
Got a feelin' that things can't stay the same
I feel my heart losing control
